No topic is off-limits, from economic policy to the latest on the War on Capitalism, from guns to taxes... anything goes, no holds barred. And with governments around the world getting more and more desperate to contain the economic and other crises, we're expecting some major fireworks from our Whiskey Bar panel this year.

**The Editors and Contributors of *Whiskey and Gunpowder* with Eric Fry (Moderator)
Byron King, Patrick Cox, Gary Gibson, Doug Casey, James Kunstler & Chris Mayer**

With populists, anarchists and libertarians fighting to make their points, it's sure to be a feisty, fun and informative debate.
